Dear Sir,

s.s. "La Carriere".

Confirming our telephone conversation with your Mr. Chalmers today, we have to advise that we are arranging to dry-dock the above-named vessel at New Orleans on or about the 13th prox., for the purpose of making an examination of the hull and machinery at the conclusion of builders' guarantee period. For our assistance in this matter, we should be pleased to learn whether you would be willing to permit your Ship and Engineer Surveyor, at New Orleans to attend this survey, to act solely on our behalf, and to report on such matters as may be considered to come within the category of owners' requirements at the end of the guarantee period.

We appreciate that in the event of these arrangements being carried out, it will be necessary for a further Surveyor to attend the vessel for dealing with Registry requirements. In this connection, we would also mention that according to

present advices, the builders have expressed their intention of leaving this examination in our hands, and they are not proposing to appoint a representative to act in their interests.

We should be glad to learn, at your earliest convenience that this proposal meets with your approval and at the same time, kindly communicate your views on the appropriate remuneration, to our account for these services.

Yours faithfully,
