Enclosures.

23rd March, 1938.

Dear Sirs,

E.

Messrs. Swan, Hunter & Wigham Richardson's
Yard No.1555 - The Wallsend Slipway & Engineering
Co's Contract No.933.

I send herewith, for your information and guidance, a copy of a letter which has to-day been addressed to Messrs. Crossley Bros., Manchester, in regard to their proposal to use a stock air receiver, the material of which has not been tested by the Society's Surveyors, in connexion with a 45 Kw. generating set to be supplied for the above contract.

A copy of the plan referred to therein is also enclosed.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
MANCHESTER.

Secretary.
