Dear Sir,

NO. 1555 SHIP.

We have found it necessary to shorten one of the cargo oil tanks from 20 feet long to 15 feet long.

We enclose herewith three blue prints of part of the midship section on which we have indicated the modification to scantlings in way of this 15 feet tank.

Kindly let us have your approval of these modifications as early as possible.

We are preparing a new profile and decks plan showing this alteration and hope to forward you copies of this tomorrow.

Yours faithfully,

FOR
