Manchester, 5th August, 1941.

ence
F. IH.

Dear Sir,

S.Sc. "MODLIN" ex "WILJA".

We forward herewith the following reports
on the above vessel:-

- No. 10607General Examination of Hull.
- No. 10608.....First Entry Report Machinery.
- No. 10609.....First Entry Report Boilers.
- No. 10610.....First Entry Report Electrical Equipment.
- No. 10607.....Survey Report on Engines & Boilers, and
Electrical Equipment.

Particulars and calculations relating to the
boilers, machinery and pumping arrangements are also forwarded
in the absence of plans.

In accordance with instructions contained
in your letter of the 26th August, 1940, the vessel has been
generally examined and placed in a satisfactory condition for a
period of 12 months and a fee of £12.12.0 has been charged.

In addition to the above a Special Survey has been
carried out on the machinery with the exception of the few
details stated on the survey report, and we shall be glad if you
will advise us regarding the fees now chargeable.

We are, Dear Sir,
Yours faithfully,
The Surveyors.

H & D.O.
R.D.
The machinery fees for reclassification
in this case amount to £32-10/- including
the Survey of the electrical equipment
very little remains to be done to complete
the engine survey & it is requested the whole of the
fee be charged now.
