

ions to be addressed to
SURVEYORS.

Lloyd's Register of Shipping,

Union Bank Chambers,

230, Chapel Street, Salford, 3,

Manchester, 13th June, 1941.

Dear Sir,

s.s. "MODLIN"

We are forwarding to-night the Reports C.11 and C.11(Comp) for this vessel.

We are also returning the Report C.11 which was partially prepared at Liverpool, but as extensive alterations have been made at this Port, it was considered advisable to make completely new Reports.

The Survey has been held in accordance with the requirements of Circular 1772, and the vessel will be recommended for Class Contemplated, a further General Examination being necessary in twelve months' time should the Classification Survey not have been completed by that date.

The existing Freeboards marked on the vessel's side are given on Form C.11. We shall be much obliged to receive the new Freeboard Certificates in due course.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

Per:-

Harry S. Newton

The Secretary,

WOKINGHAM.
