Dear Sir,

With reference to your letters of the 5th, 6th and 10th August last respecting the steamer "MODLIN" ex. "WILJA", I am informed by the Surveyors that the vessel has now proceeded to Manchester without anything being done at this Port regarding the Special Survey No.3 with a view to classification; the vessel merely discharged here.

An opportunity was taken however to measure her up for the freeboard llc computation which is forwarded herewith.

The incomplete items which have not been found possible to deal with here, have been noted in pencil on the report for the guidance of the Surveyors at Manchester, who now have the case in hand, and have received copies of the above mentioned correspondence.

It is understood that radical alterations will also be carried out at Manchester.

I am, Dear Sir,

Yours faithfully,

Secretary to the
Liverpool Committee.

The Secretary,
LONDON.
