Dear Sirs,

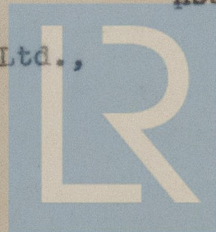

I duly received your letter of the 12th instant and much regret to learn that the motorships "NEPTUNA" and "MACDHUI" have been lost by enemy action.

Regarding vessels which are lost, I think it well to explain that, acting on Government instructions, no names of such vessels are to be deleted from Lloyd's Register Book until further notice, so that they will continue to appear therein and in the List of Shipowners.

I am, Dear Sirs,
Yours faithfully,

Assistant Secretary.
