Dear Sirs,  
The Surveyors,  
Lloyd's Register of Shipping,  
BELFAST.

"Llandaff Castle".

Please note that the above vessel has to be converted from coal-burning to oil-burning, and we therefore send you herewith three prints of each of the following plans, enclosing our proposals for the bunkers forward of the Boiler Room.

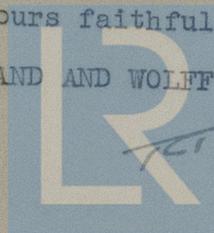

Main Deck in way of Forward Bunkers.  
Side Stringers and Longitudinal Bulkheads.  
Transverse Bulkheads.  
Bulkhead 99-98.

We shall also be obliged if you will let us have your approval of the arrangements and scantlings shown, at your very earliest convenience, as the time available for carrying out this work is limited.

Further plans will be sent you in connection with the bunkers between the Boiler Room and the Engine Room.

Yours faithfully, © 2019
