Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

23rd September 1921.

Dear Sir,

I have to acknowledge the receipt of your telegram of this morning respecting the deep tank proposed to be fitted in the Steamer "CESARIO", and to confirm my further telegram of this afternoon regarding the case, as follows, namely:-

REC'D. "CESARIO Repairers state specified water
"pressure tank test is twelve feet above tank
"deck STOP no Owners representatives at present
"here".

SENT. "CESARIO deep tank wire whether filling pipes
"extend above poop deck and whether relieving
"valves proposed if so state position".

I am, Dear Sir,

Yours faithfully,

Secretary.

Geo. Dykes Esq.,

HAMBURG.
