Dear Sirs,

S.

With reference to my letter of the 16th instant respecting the Steamer "CESARIO", I have to acquaint you that it is proposed to charge a fee of £100 for the classification survey of the hull and £30 for that of the Machinery in this case, and I shall be glad if you will kindly state, when advising your reports on the completion of this inspection, what fee should in your opinion be charged, in addition to the above, for the survey of the alterations now to be effected at your port, so that an inclusive account may be rendered to the Owners from this Office.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
ROTTERDAM.
