9th July, 1921.

Dear Sirs,

S. I have to confirm the following telegram which was sent to you yesterday afternoon relative to the ex-German Steamer "D.A.D.G.76" now named "CESARIO", viz:-

"Please forward earliest possible report on Form 8  
"giving particulars of Special Survey now held CESARIO"

I have to add that in all cases of this kind, reports on Forms 8 & 9 should be furnished in addition to First Entry reports, setting forth the extent of the survey held on the vessel, and concluding with your recommendations as to the record of Special Survey to be made in the Register Book. You will note that in accordance with Section 48 of the Rules the Special Survey No. 2 should have been complied with in this case.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
HULL.
