Dear Sir,

In reply to your letter of the 2nd inst, regarding the equipment of the S.S. "D.A.D.G. 76" I beg to state that when the three bower anchors were submitted for survey great care was taken with a view to ascertaining the weights of same, but no marks could be found other than those submitted with my letter of the 27th ultimo. The length of the cables as stated was found when same were ranged in dry-dock.

I am, dear Sir,.

Yours faithfully,.

*Matthew Blackwood*

The Secretary,.
