Dear Mr. Ritchie,

I am favoured with your note of the 1st instant regarding the ex-German steamers "GERA", "DERINDJE" and "D.A.D.G.76", which are laid up at Immingham and are for sale.

Upon looking into the cases of these vessels I find that condition surveys have in all cases been held some time last year at the request of the Ministry of Shipping, a fact which explains why we have received no request for a further survey at the present time.

I am much obliged to you for calling attention to these cases, and as soon as any information reaches you as to the sale being in prospect or actually taking place, I shall be glad to have such information as you are able to obtain.

With kind regards,

Yours faithfully,

G.D. Ritchie, Esq.,
GRIMSBY.
