Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

21st July, 1920.

Dear Sirs,

S. With reference to my letter of the 18th instant, relative to the three ex-German Steamers being handed over to the British Government, I have to acquaint you that the Ministry state that the new vessel built by Messrs. Blohm & Voss, to which no name had been given, is now known as the "D.A.D.G. no. 76", and will accordingly appear under this name in the new edition of the Register Book.

With regard to this case, I have to say that the Ministry are anxious to receive your Condition Survey Reports as soon as the survey is complete, and I have to request that you will forward the same to this Office immediately on the completion of your inspection.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
LEITH.
