Dear Sir,

I beg to enclose a plan received from Messrs. J.L. Richardson of the four boilers of the ex German Steamer "D.A.D.G. 76" for the consideration of the Committee. The working pressure appears to be 16 atmos.

I will be obliged if you will return the plan with your answer as Messrs. J.L. Richardson have only the loan of this plan.

I am, Dear Sir,

Yours faithfully,
