1st November, 1939.

Dear Sirs,

E.

Messrs. Wm. Hamilton & Co's Yard Nos.439/40/41/46.
Messrs. David Rowan & Co's Contracts Nos.1040/41/56/64.

I duly received your letter of the 20th ultimo with copy of order and plans, in triplicate, of superheaters proposed in connection with the above Contracts, and I have to inform you that these plans will be approved for a working pressure of 225 lb. per sq. inch, provided the steel castings be made at approved Works and tested as required by the Rules, a safety valve be fitted to each part of the superheaters which can be isolated from the boilers, the superheaters be constructed under the usual conditions of survey and testing and the whole be tested to three times the working pressure.

One set of the plans is returned herewith, and I take the opportunity of enclosing the usual Survey Request Form for completion.

I am, Dear Sirs,
Yours faithfully,

The Superheater Company Ltd.,
St. Margaret's Road,
Bowdon,
Nr. Altrincham,
Cheshire.
