29th June, 1922.

Dear Sirs,

I am in receipt of your letter of the 22nd instant relative to the steamer "MIRLO" and note that you have been advised by the Owners that the bolted doors on the cofferdam bulkhead were riveted up when the vessel was at Beaumont. In the circumstances I shall be glad if you will arrange with the Owners for these doors to be examined on the vessel's arrival at a port where the Society has a Surveyor stationed. You will be so good as to let me know in due course what arrangements are made in the matter.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

CHRISTIANIA.
