CHESAPEAKE & OHIO RAILROAD TERMINAL BUILDING

NEWPORT NEWS, VA.,

April 12th, 1922.

*Dr. H. H. H. H.*

The Surveyors,  
Collingwood Buildings,  
Newcastle-on-Tyne,

Dear Sirs:-

I am in receipt of your letter of March 25th, 1922, having reference to the Steamer "MIRIO" (No. 38420 in the Register Book). I have to advise you that this vessel sailed for Beaumont, Texas on the 11th ultimo, and that no suitable opportunity presented itself for making an examination of the plate doors in the after cofferdam bulkheads between the summer tanks and the coal or oil fuel bunkers.

As I do not know the ultimate port of destination, I regret that it is not possible for me to advise the Surveyors at that port.

Yours faithfully,

*J. P. Hudson*
