Sirs,

I have to request that you will be good enough to let me know by telegram to-morrow morning how the case of the new steamer "MIRLO" stands. I may say that a cablegram has been received from the Society's Surveyors at Christiania in connection with this steamer, and it would appear that the Society is anxious to have the classification completed as soon as possible.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Surveyors,
NEWCASTLE-ON-TYNE.
