Dear Sir:-

S.S. "MOUNT OLYMPUS"

Herewith we submit for consideration and approval drawings, shewing in sufficient detail proposed modifications in connection with conversion of the above named, coal burning, steamer, to oil burning, with Todd's Equipment.

The steamer is now alongside the yard of the Amsterdam Drydock Company, Amsterdam, and preparatory work is already well in hand.

We shall be indebted to you if you will be so good as to direct that this project be gone into and decided on today if possible, so that we may be enabled to proceed with the work without any delay, the ship being already committed to a short cancelling date.

For any further details, should such be required by your Staff in connection with this matter, kindly communicate by telephone with the writer (Extension No.7).

Thanking you in advance, we are, dear Sir,

Yours faithfully,
