

Marseille Report  
No. P.132.

24th February, 1933.

WE, THE UNDERSIGNED SURVEYORS TO THIS SOCIETY  
certify that the repairs carried out at this port to the  
Spanish steamer "NAVENAR", following collision damage with  
the French steamer "BERNARDIN DE SAINT PIERRE", at  
Marseilles, on the 21st December, 1932, were recommended  
by us for the seaworthiness of the vessel and to entitle  
her to retain her class with this Society, namely,  
5 ICC A1. Shelter deck with freeboard.

The Surveyors to Lloyd's Register,
