Dear Sirs,

I beg to acknowledge the receipt of your letter of the 16th instant intimating that the steamer "NEW BRUNSWICK" is at present on a voyage to the West Coast of Africa and that it is your intention to make arrangements for the Special Survey No.2 and the Boiler Survey to be carried out at the first opportunity. In reply I have to say that the Committee, who have had the case before them at their meeting today, are agreeable to the surveys in question being postponed for the present.

I am, Dear Sirs,

Yours faithfully,

Copy to Liverpool.
