Your Ref. JBW/HLH.

31st August, 1927.

Dear Sirs,

E.

I was favoured with your letter of the 25th instant forwarding plans of the midship section and the original pumping arrangements of the s.s. "NEW BRUNSWICK" and thank you for your kind attention in the matter.

If it is intended to discharge the palm oil cargo by means of one of the ship's pumps, I shall be obliged if you will kindly forward a sketch showing the proposed amended pumping arrangement.

The plans of midship section and original pumping arrangements are being retained in the meantime.

I am, Dear Sirs,

Yours faithfully,

Secretary.
