

Messrs. Elder Dempster & Co., Ltd.

s.s. "NEW BRUNSWICK".

----

Carriage of Palm Oil in Bulk in Side Tanks to be fitted in No.3 Hold.

----

IT IS SUBMITTED Mr. Wilkie be thanked for his letter of the 25th instant forwarding a plan of the midship section and a plan of the original pumping arrangements.

Mr. Wilkie should be informed that, if it is intended to discharge the palm oil cargo by means of one of the ship's pumps, a sketch showing the proposed amended pumping arrangement should be furnished.

The plans of midship section and of original pumping arrangement are being retained in the meantime.
