Received from Chief Ship Surveyor \_\_\_\_\_

VESSEL'S NAME Steel S/s "Aydou" Rpt. hwc No. 65962

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey First Entry

It is submitted before this case receives the consideration of the Committee, this report and the approved sketch of midship section and profile should be returned to the Surveyors, and they should be requested to fill in the particulars of the web frames fitted in the fore and after bodies, as this has been omitted from their report. The alternative approved plans of corrugated bulkhead should also be returned to them, and they should be requested to indicate, which of these plans have been adopted.
