14th March, 1922.

Dear Sirs,

P.M.C.

I have to confirm the following telegram which I sent you to-day:-

"NORFOLK EX SAUERLAND PLEASE REPORT SIZE AND TOTAL LENGTH CABLE ALSO IDENTIFICATION MARKS ON EACH LENGTH AND NUMBER OF LENGTHS"

It is hoped that since writing on the 10th instant in regard to this case you have been able to decipher further marks on the cable.

I may add that the Federal Steam Navigation Co.Ltd., with whom I have been in communication, are not in possession of any further information in regard to the anchor and cable equipment of this vessel.

It does not appear that in your previous communications you have advised me as to the total length of the cable, and its size.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
FALMOUTH.
