

Extract from letter received from the Barrow Surveyors  
dated 10th May, 1926

-----

"We are forwarding today our report on the  
"s.s. "NOVA SCOTIA" (Messrs. Vickers' No.623), together  
"the plans of midship section and profile as finished, and  
"also the boiler plan.

"The approved plans and forging reports etc.  
"will be forwarded when the transport facilities again become  
"normal"
