ENCLOSURES.

16th April, 1909.

Dear Sirs,

A.

I beg to remind you that the fees and expenses due for the Special Survey during construction at your works of the Engines of the S.S. "ESPERANTO", which were applied for on the 28th December, 1908 and again on the 19th February last still remain unpaid, and in consequence the certificates of classification have not yet been issued.

May I ask you therefore to be good enough to kindly favour me with a remittance in settlement of the amount in question viz., £11.11s.11d so that the certificates may at once be issued and the account closed. A statement of the account referred to is enclosed.

I also enclose a Special Survey Order Form and Forging Memorandum Form for a new set of Engines which, it is understood from Mr. Sturgeon, you are about to put in hand to pass this Society's requirements, and shall be obliged by your kindly filling in the particulars and returning the forms duly signed.

I am, Dear Sirs,

Messrs. Crabtree & Co., Ltd.,

Yours faithfully,

Southtown
GREAT YARMOUTH.

Secretary.
