Received from Chief Ship Surveyor.....

3-DEC 1942

VESSEL'S NAME s.s.s. "NURMAHAL" REPORT P.Nl. No. 3829

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

"The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The class is subject to indented stem plating and framing being dealt with as necessary at the next dry docking and to the equipment of ropes being placed in order at the first opportunity.

The PORT NATAL Acting Surveyor reports (10.42) the vessel examined afloat on account of damage during heavy weather, and repairs effected to ventilators, and lifeboats etc.

IT IS SUBMITTED the vessel is worthy to remain as classed, subject as above.

As now, subject etc.
