Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

Enclosure.

12th March, 1921.

S. Dear Sirs,

With reference to previous correspondence between us respecting the ex-German Steamer "MINNA HORN", I enclose herewith a copy of a letter, dated 11th instant, which has been received from Mr. Cambridge, the representative of the Ministry of Shipping at your port, from which you will observe that this vessel sustained damage to one plate on the 4th instant through collision with the Steamer "PANAGHI VERGOTTIS", and that the Ministry are desirous of being furnished with a report that the repairs have been completed to the satisfaction of the Society's Surveyors.

In the circumstances, I have to request that you will give the case the necessary attention, and forward your report on Form 10 to this Office in due course.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
CARDIFF.

Assistant to the Secretary.
