28th January, 1921.

Dear Sirs,

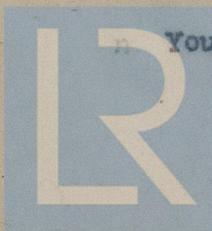

S. With reference to my letter of the 25th instant respecting the ex-German Steamer "MINNA HORN", it is observed that when the purchase of this vessel has been definitely completed, the prospective buyers are desirous of having a freeboard assigned by this Society.

In these circumstances, you should obtain the usual request form duly signed as soon as the vessel becomes the property of Messrs. D. & T. G. Adams, and forward all the particulars detailed on Form 11B. In this connexion I think it well to point out that the vessel was classed in the Germanischer Lloyd "With Freeboard" and appears to be of the tonnage opening shelter deck type, and if this is so, full particulars as to the position of opening, tween deck bulkheads, freeing ports and scuppers should be given on the report form.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
CARDIFF.

Lloyd's Register  
Foundation
