Messrs. Lloyds Register of Shipping,  
LONDON.

Gentlemen,

S.S. "MINNA HORN"

We have purchased this ex German steamer from Lord Inchcape, and the vessel is being repaired according to contract by The Mount Stuart Dry Dock Company, Cardiff.

We propose to reclass her in your Society and wish you to survey the vessel and advise us if you require any work done in order to bring her up to your requirements.

We shall also be glad if you will kindly assign the vessel a Freeboard according to your rules.

As you are probably aware, our Surveyors have been in close touch with your Cardiff office.

We are,  
yours faithfully,
