

Messrs. Vickers-Armstrong Ltd.

Yard No. 712.

IT IS SUBMITTED that the Barrow-in-Furness Surveyors be informed that the plans of the Main supply switchboards and branch circuits have been examined, but in order to give them full consideration the plans are being retained for further information on the following points:-

- (a) Particulars of the switching arrangements and connections between Emergency board E and Aux. Switchboard A.
- (b) Size of cables connected to Engine & Boiler Room Auxiliaries.
- (c) Plans of the main auxiliary and emergency switchboards.

It should be pointed out that in accordance with Section 9 Clause 6(c), the Searchlight should be provided with a DP linked switch.

The Surveyors comments on the foregoing are awaited.
