Dear Sir,

STRICTLY CONFIDENTIAL.

m.v. "PATELLA".

We thank you for your favour of the 31st ultimo, Ref. "H" and "F" respecting special general examination and Freeboard Renewal Survey on this vessel. In reply we have to advise you that according to present reckoning she is expected to call at Capetown within the next month when the opportunity will be taken to submit her for the above requirements.

We think it as well to state that the ship being on Admiralty requisition, there is a possibility of these tentative arrangements being amended at short notice, but will endeavour to keep you informed of such changes should they arise.

Yours faithfully,

THE ANGLO-SAXON PETROLEUM CO. LTD.
