QUESTION.

ANSWER.

I shall be glad if you will ascertain from the Owners' New York representative, M. Embiricos Esq., Beaver Street, New York, and we know what arrangements are proposed to be made with a view to the examination of the centre furnace of the port boiler, the limit on which expired at the end of October last.

I think it well to add that General Examination for maintenance class requires to be held by the end of May next, together with a survey for the renewal of the Freeboard certificate, which expires at that time. In the circumstances, I shall be glad if you will inform the Owners' representative accordingly.
