Dear Malcolm,

I attach copy of Socony's cable of the
21st May and Socony Vacuum's cable of today, which I
read you over the telephone.

John Watson is the "PEGASUS" and I
appreciate the action you are taking to see what
can be done to meet our friends wishes.

Believe with the present situation in
the Mediterranean it would be preferable to have her
examined at Istanbul but if this cannot be arranged
will be glad to work out with our friends an alterna-
tive which will meet your situation.

Yours sincerely,

encls.
