71, Fenchurch Street, E.C. 3.

Enclosures.

4th March, 1931.

Dear Sir,

M. Reverting to my letter of the 3rd instant respecting the alterations to be carried out to the s.s. "VESTA", I have to inform you that I am today in receipt of a letter from the Society's New York Office enclosing copies of the following plans, which are enclosed herewith for the information and guidance of the Surveyors in carrying out the survey, viz:-

New oiltight bulkhead at frame 121 and cofferdam.
New Cofferdam and pump room at aft end of No.4 tank, 1
" " " " " " " " " " " 2
Diagram of cargo piping.
Arrangement of piping in midship pump room.

I am, Dear Sir,

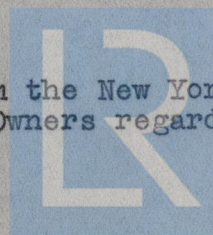

Yours faithfully,

Secretary.

N.G. Turnbull, Esq.,

TRIESTE.

P.S. Copies of the letter from the New York Office and of the letter addressed to the Owners regarding plans are also enclosed.
