Reference

Dear Sir,

I am submitting to-day under separate cover for the approval of the Committee three copies of two plans of Columbus Boat Davits types K.u.1 and K.3, proposed to be supplied by Messrs. Ottensener Eisenwerk to Messrs. Howaldtswerke's Yard No. 774. Messrs. Ottensener Eisenwerk state that the plan for type K.3 has already been approved by you on the 23rd December last for Messrs. Howaldtswerke's Yard No. 756. The plan for type K.u.1 differs from the previously approved plan only in respect of the thickness of the arm plates which is now 6 mm instead of 5 mm as previously approved.

Two copies of the plans as now approved should be returned to this Office.

I am, Dear Sir,

Yours faithfully

The Secretary,
LONDON.
