Dear Sir,

I duly received your cablegram of today's date reading as follows:-

" Referring to your letter of the 9th instant plan of shell expansion in way of bunkers plans not yet received forward plans"

from which I note that the two copies of the plan of shell expansion in way of the fuel oil bunker in the case of Messrs. Howaldtswerke's Yard № 756 forwarded with my letter of the 9th instant have not reached the London Office. In the circumstances I am enclosing herewith the third copy of this plan, which had been retained in this Office, and I am requesting the Builders to forward two further copies, one of which will be sent to you immediately on receipt.

I am, Dear Sir,
Yours faithfully
for A. Chisholm

The Secretary

London

P.S. Please let me know whether the 22 plans of Schat davits for Bremer Vulkan's 752/3, Flensburger Schiffsbau Ges. 435/6 and A.G. Weser's 915/6, also 6 plans of air, sounding and scupper pipes for Deutsche Werft's № 180 - all of which were posted to you with the same mail on the 9th instant - have safely arrived in London.
