Dear Sir,

I am in receipt of a letter from Messrs. Howaldts-
werke A.G., Kiel, stating that through an oversight the plain
and stay tubes to be fitted in the three main boilers of their
Yard No 756 have been tested by the Surveyors to the Germani-
scher Lloyd instead of by the Society's Surveyors. The Build-
ers regret very much the mistake which has been made and
request to be informed at the earliest possible moment whether
the Committee will in the circumstances be prepared to accept
the Germanischer Lloyd certificate for the tubes in question.

Two copies of the G.L. certificate are enclosed
herewith for reference.

The Secretary,

LONDON

I am, Dear Sir,
Yours faithfully
for A. Chisholm
