14th April, 1937.

Dear Sir,

Howaldtswerke's Yard No.756.  
-----

E.

I duly received your letter of the 9th instant forwarding an amended plan, in duplicate, of arrangement of lighting in the pump rooms of the above ship, and have to say it is noted the Builders do not agree to the amendments to the glycerine trap, and in the circumstances Mr. Watson, the Society's Principal Electrical Engineer Surveyor, will discuss this matter on his visit to Hamburg.

The plan is being retained in the meantime.

I am, Dear Sir,

Yours faithfully,

Secretary.

A. Chisholm Esq.,

HAMBURG.
