4th March, 1941.

Dear Sir,

S.S. "COSTA RICA".

We are in receipt of your favour of the 28th February with regard to the boiler survey which is due on the above-vessel and, in reply, have to advise you that she is at present being operated by the British Government and, consequently, we are unable to communicate with the Master.

However, we informed him on the 9th December last that two boilers would be due for survey in January 1941 and should be attended to and as he acknowledged our instructions, we trust that the matter will have been attended to in a port abroad.

Yours faithfully,

For NETHERLAND SHIPPING AND  
TRADING COMMITTEE LTD.
