Enclosure.

9th December, 1924.

Dear Mr. Dalgliesh,

I was duly favoured with your letter of the 5th instant, and carefully note your remarks, but as Mr. Scrutton, our Chairman, has written you fully on the subject in reply to your favours to him, I think it is unnecessary for me to add anything beyond saying how sorry I am that we are unable to see eye to eye on the question of the date of build of this vessel.

I have much pleasure in returning the Certificates of Classification, as desired.

Yours faithfully,

R. S. Dalgliesh, Esq.,
Watergate Buildings,
Sandhill,
NEWCASTLE-ON-TYNE.
