Dear Sir,

s.s. "QUEENWORTH".- We have your letter of the 25th inst. and note all you say. I have spoken to Sir James Marr about this case and he has written a letter to Mr. Howard Glover and I also confirm the letter I wrote Mr. Howard Glover in regard to two ships which were laid up before ever the "Queenworth" was laid down.

If you consider that the "Queenworth" is being treated fairly and squarely, then I have nothing more to say but one point, and that is your rules will make people dishonest.

You might tell Mr. Scrutton, your Chairman, he will have to excuse me coming up to discuss this matter with him because when I called to see Lloyds last Thursday 20th inst. I consider I was very unkindly treated by Mr Thomas Storey and I am not going to repeat the experiment.

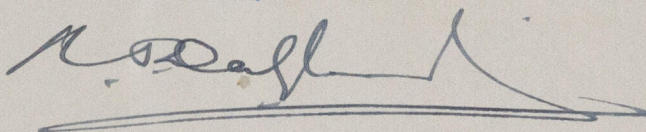

All I can say is I am now busy with two ships 500'.

long and I am not going to take the trouble to classify
at Lloyds after the treatment that has been meted out to me
in the above case.

Yours truly,
