25th November, 1924.

Dear Sir,

I beg to acknowledge the receipt of your letter of the 20th instant, and note what you say regarding the case of the s.s. "QUEENWORTH".

In reply, I have to state that the object of Rule No. 7 to which you call attention as regulating the date of build of vessels in the Society's Register Book, is to act in perfect fairness in the interests of the several parties concerned.

Mr. Scrutton, our Chairman, to whom I have shown your letter on his return to the Office today, asks me to say that as you appear to be under some misapprehension as to what really is the practice of this Society, he will be very glad to see you and have a talk with you on the subject next time you come to London.

Perhaps you will kindly let me know in due course so that a mutually convenient time may be arranged.

Yours faithfully,

R. S. Dalgliesh, Esq.,
Watergate Buildings,
Sandhill,
NEWCASTLE-ON-TYNE.

Secretary.
