Reference

Dear Sir,

I beg to enclose a letter received from Messrs. R.S. Dalgliesh, Ltd. with reference to the classification of their steamer "QUEENWORTH" and with regard thereto I have to state, a copy of your letter dated 17th. instant was sent to the Owners on the 18th. instant. I was informed by the Owner's Superintendent (Mr.C.W. Metcalf) yesterday that the Owners consider they have been very unfairly treated by the Committee in this matter, inasmuch, that if some minor items had remained uncompleted, a date of build would have been assigned, either when the work was finished or at the expiry of six months after the date of launch.

I am, Dear Sir,

Yours faithfully,

T Shaw.

The Secretary,
LONDON.
