The Secretary,
LONDON.

Dear Sir,

In reply to your classing letter dated the 31st January last, which has just come to hand, relative to the m.s. "REMMAREN", Gothenburg First Entry report No.13098, I enclose herewith an amended statement of the particulars of the water ballast for correcting the figures given on the report.

The double bottom ends, as stated by you, at frame 35, and the part aft thereof from frame 23 - 35 is open to the deep tank at the centre of the tunnel recess which extends from frame 25 - 35.

I am, Dear Sir,

Yours faithfully,

E. Springquist.

I am, Dear Sir,

25 - 25 August 1941

The above is a copy of the minutes of the meeting of the Committee of the Council of the League of Nations, held at Geneva on 25 August 1941, in which the Committee considered the report of the Secretary-General on the work of the League during the year 1940.

The Committee has noted with interest the progress made by the League in the year 1940, and has expressed its confidence in the Secretary-General's report. It has also noted the Committee's decision to continue its work in the year 1941, and has expressed its confidence in the Secretary-General's report.

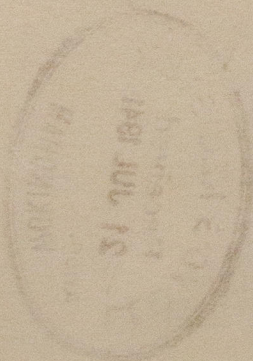

Yours faithfully,
