B.—All alterations in the existing records should be underlined.  
st Report, No. 2225 Port Cco

ical Surveys, when held, must be reported in detail and seriatim in the terms of the Rules and items remaining to  
plete the Surveys should be summarised. State clearly the cause of Repairs, if any, and, in detail, the nature and  
ent of Examinations and subsequent repairs. Repairs on account of Damage (the cause of which must be stated)  
uld be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be  
ummarised in the form shown below. Whenever the replacement of Anchors or Chains is reported the particulars  
uld be clearly stated in the space provided on the back of this form. State also the dates and initials of any letters  
pecting this case.  
mage cases where the Surveyor has not made a special damage report he is required to state whether he  
ered his services for this purpose and to whom and why they were declined  
Was a damage report made by anyone else? If so, by whom?

eral Observations, Opinion as to Class, Recommendation, &c.:—  
State clearly whether any and, if so, what alteration is suggested to be made in the existing classification and notification of the vessel in the Register Book consequent upon  
a survey, thus, for example:—"to remain as classed in the Register Book without fresh record of Survey," "to remain as classed and to have record of  
survey, 1,38," or "to remain as classed and to have record of survey, 1,38, and the notations of ss No. 1-38"  
to remain, so far as now seen, in shape in my opinion to remain as classed  
to peak record of survey 3-43
