High Close,

Wokingham, Berks.

28th December, 1939.

Dear Sirs,

H.

With reference to the 3rd Special Survey No. 1 of the steamer "ROTTERDAM", I have to remind you that this inspection has been partly held by the examination of the bottom and rudder in drydock together with the examination of the weather decks and hatchways, while as regards the machinery the sea connections have been examined.

In view of the fact that the Year of Grace for the completion of this inspection will expire at the end of the present month, I have to request that you will ascertain from the Owners and let me know for the information of the Committee what arrangements they propose making with a view to the outstanding survey requirements receiving the necessary attention.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
ROTTERDAM.
