Dear Sirs,

With reference to your letters of the 12th, 16th and 26th instant respecting the replace rotors ordered from you for the Steamers "SIEROOSKERK" and "ZUIDERKERK", I have to confirm the arrangement made by Mr. G.O. Watson, the Society's Senior Electrical Engineer, during his visit to your Works on Friday last, for a fee, inclusive of expenses, of 20 guineas (£21) to be charged for the inspection and testing of these two rotors during manufacture.

I may add that the necessary instructions in the matter are being given to the Society's London and Sheffield Surveyors, and I shall be glad if you will kindly return the request form referred to in your letter of the 16th instant.

I am, Dear Sirs,

Yours faithfully,
